

Il nostro Menu

Cari Amici del Ristorante ITALIA

Traditional, authentic recipes and ingredients from all regions of Italy are the foundation of our "Cucina della Mamma" at Ristorante ITALIA.

Selected meat and cheese specialties from our well-stocked Salumeria form the perfect start – following the tradition of a classic Osteria.

Do you have any allergies or intolerances? Our staff will be happy to inform you about the ingredients. Please note that we work in a mixed kitchen and cannot provide an absolute guarantee against allergens.

Buon appetito!

Fatto in casa – non solo un modo di dire

We have been honoured to use the «Fait Maison» label at Ristorante ITALIA since this spring. This label is awarded on a voluntary basis to restaurants preparing all or most of their dishes completely fresh in their kitchens.
